5. How better to manage asthma during anesthesia delivery
6. The problems obese individuals present during anesthesia and helpful ways to manage those.

## VIRTUAL ATTENDANCE

There is an option to attend this meeting via video-conference. This option needs to be selected by Friday, April 1. The extra \$25 fee for this option helps offset the extra costs associated with providing the virtual administration. Once registered for this option, an email will be sent prior to the meeting with the link for the video-conference. Please ensure you note the email address you will be using the day of the meeting. There is no post-meeting video option available.

## IMPORTANT PUBLIC HEALTH NOTE

Developments related to the COVID-19 pandemic may cause a change or even cancellation of this meeting. Registrants will be notified of any such changes when we learn of them. The hospital is currently limiting attendance to fully-vaccinated people only and all attendees will need to show proof of vaccination. Current maximum in-person attendance is 125 people. Masking is currently required.

## PARKING

Parking is available at the Main Hospital Entrance on 68th St. east of York Ave. Private parking garages are also located in the surrounding neighborhood.
