

NEW YORK STATE SOCIETY of  
Oral and Maxillofacial Surgeons

## SPEAKERS

**David L. Hirsch, MD, DDS, FACS**, is a board-certified oral maxillofacial surgeon who received dental and medical degrees from New York University, and completed his OMS residency at NYU/Bellevue Hospital. He serves as Senior VP, Northwell Health Dental Medicine, and chairs the Dept. of Dental Medicine at LIJ Medical Center and North Shore University Hospital as well as the Dept. of Oral and Maxillofacial Surgery at Lenox Hill Hospital.

**Lawrence E. Brecht, DDS** is currently the Director of Maxillofacial Prosthetics at Lenox Hill Hospital, Long Island Jewish Medical Center and North Shore University Hospital of the Northwell Health System. In addition, he serves as the Director of Maxillofacial Prosthetics

in the Postgraduate Prosthodontic Program of NYU College of Dentistry. He also holds an appointment in the Department of Head & Neck Surgery at MD Anderson Cancer Center of The University of Texas. Dr. Brecht also maintains a private practice in Manhattan limited to maxillofacial prosthetics and prosthodontics.

Drs. Brecht and Hirsch were part of a team that developed and performed the first "Jaw in a Day" surgery in the world, a complex procedure that uses computer-aided technology to fully reconstruct a patient's jaw in one day. This comprehensive head and neck reconstruction included a microvascular free fibula flap, immediate dental implants, and dental prosthesis in a one-stage surgery. Each has written numerous abstracts, journal articles and chapters on the subject, and both perform ongoing research in this field.

NEW YORK STATE SOCIETY of  
Oral and Maxillofacial Surgeons

# 2023 Annual Meeting

Sunday, March 26, 2023

## "ALL-ON-X" AND BEYOND: Advanced Maxillofacial Reconstruction & Implant Rehabilitation

*Featuring*

**Lawrence E. Brecht, DDS**  
**David L. Hirsch, DDS, MD, FACS**

**Weill Cornell Medical College**  
New York City

## PROGRAM

Sunday, March 26, 2023

8:00 - 8:45	<b>Registration &amp; Continental Breakfast</b>
8:45 - 9:15	<b>Business Meeting</b>
9:15 - 10:30	<b>Lecture</b>
10:30 - 10:45	<b>Coffee Break</b>
10:45 - 12:15	<b>Lecture</b>
12:15 - 12:45	<b>Lunch Break</b>
12:45 - 2:30	<b>Lecture</b>

## PRESENTATION

The concept of the "All-on-4" immediate implant-supported reconstruction has been well established as a successful treatment modality. Beginning with this treatment concept, this team of a maxillofacial surgeon and maxillofacial prosthodontist with over 15 years experience working together will discuss the planning and execution of immediate implant treatment including the zygomatic implant option for severely resorbed cases, as well as bone grafting to facilitate a functional implant reconstruction. Complex maxillofacial reconstructions including the Jaw-in-a-Day modality will also be discussed extensively.

## OBJECTIVES

At the end of the presentation, attendees should better understand:

1. Surgical and prosthetic principles for immediate implant rehabilitation of the maxilla and mandible
2. Avoiding common surgical and prosthetic problems often encountered with immediate implant rehabilitation of the maxilla and mandible
3. Treatment planning and execution of the zygomatic option for the severely resorbed maxilla
4. Principles of bone grafting for situations not amenable to immediate implant placement
5. Immediate reconstruction of the maxilla and mandible with immediate implants and prosthesis placement following tumor ablation.

## CONTINUING EDUCATION

This course is sponsored by the New York State Dental Association for four and one-half (4.5) hours of mandatory continuing education. Drs. Brecht & Hirsch have no financial relationships with regard to the material presented at this event.

## VIRTUAL ATTENDANCE

There is an option to attend this meeting via video-conference. This option needs to be selected by Friday, March 24. Once registered for this option, an email will be sent prior to the meeting with the link for the video-conference. Please ensure you note the email address you will be using the day of the meeting. There is no post-meeting video option available.

## IMPORTANT PUBLIC HEALTH NOTE

Developments related to the COVID-19 pandemic may cause a change or even cancellation of this meeting. Registrants will be notified of any such changes when we learn of them. The hospital is currently limiting attendance to fully-vaccinated people only and all attendees will need to show proof of vaccination. Current maximum in-person attendance is 125 people. Masking is currently required.

## HOTEL RESERVATIONS

A hotel room block for this meeting has been reserved at The Lotte New York Palace Hotel. This is a wonderful hotel and NYSSOMS members can reserve rooms for just \$299/night for that Friday and Saturday nights. **Please note that this block expires on March 3 and rooms will then be at market rate, so be sure to book now.**

To reserve a room call 800-697-2522 and ask for the NYSSOMS Room Block. You can also reserve online by visiting, [tinyurl.com/mpksnebd](http://tinyurl.com/mpksnebd)

## LOCATION

**Weill Cornell Medical College**  
 Uris Auditorium - 1300 York Ave. @ 69th St., New York, NY 10065

## PARKING

Parking is available at the Main Hospital Entrance on 68th St. east of York Ave. Private parking garages are also located in the surrounding neighborhood.
